

JEREMY CLARK

Supporting Consultant

Areas of Expertise

- Contract Management
- Project Management
- Financing
- Monitoring
- Scope and Design
- Project Controls
- Change Management
- Design Management
- Graphic Design
- Complex Research Initiatives

Background

Mr. Clark has over 10 years of experience in business and financing administration. As a Pegasus Global Holdings, Inc. (Pegasus-Global) Supporting Consultant he provides assistance to senior management with the analysis of events and identification of key issues, research and document management. He has extensive knowledge of a variety of online research tools. Mr. Clark performs research, reviews and monitors budgets, develops databases and interfaces with clients and agencies in his role as a Supporting Consultant.

Mr. Clark has performed research and monitored projects, designed, reviewed and evaluated reports, and coordinated efforts of analysis teams. He has designed document management databases, spreadsheets, exhibits and graphics for use in analyzing and displaying analyzed results.

In addition he is experienced in the Microsoft Office suite, with a particular emphasis on developing, integrating, and presenting complex, Microsoft Excel data sets and graphics. Mr. Clark is also experienced in PowerPoint, Publisher and QuickBooks.

Prior to joining Pegasus-Global, Mr. Clark has managed businesses, including responsibilities with hiring, training, and managing staff. He has extensive experience in financing, managing, analyzing, and presenting results from large data sets. He works with and advises project team members in developing and presenting reports.
